

Medium Voltage Accessories & Industrial Power Cables

Lug to Lug Extended Warranty Solution

Prysmian is not only the world's largest wire & cable manufacturer, but we also manufacture world-class accessories. With more than 25 years of expertise in design, manufacturing, testing and installed base of wire, cable and cable accessories across all voltages, Prysmian offers a complete range of accessories for splicing, terminating, and grounding.

Accessories Products Available:

- Medium Voltage ColdFit™ Terminations
- Medium Voltage Elaspeed™ Splices
- Medium Voltage Load Break Elbows
- Medium Voltage Dead Break Elbows
- Glands
- Cable Cleats

Prysmian is pleased to offer a 10-year system warranty when you pair Prysmian accessories and C&I industrial cables, you benefit from the industry's leading extended system warranty.

Benefits of Prysmian's 10-Year System Warranty

Hassle-Free Warranty Resolutions

With one manufacturer warranty for seven different products, everything from installation to potential replacement is faster and more streamlined

Project Timeline Flexibility

Prysmian's 10-year warranty extends beyond and adds flexibility to the standard Medium Voltage warranty

Peace of Mind

Feel more assured knowing your materials are covered for an entire decade from shipment

Accessory Expertise

Prysmian ensures optimal performance and compatibility, using our decades of cable expertise in accessories manufacturing & testing

Select products are in-stock and available for immediate shipping
