

Datacom Cable Emergency Relief Offering

GenSPEED®

With North America's widest telecom product portfolio, Prysmian is helping link communities, countries, and continents faster than ever. Our optical fiber and copper cables are Made Right Here in our North American facilities, setting new standards for low latency, reliability, and meeting ever-growing data demands.

The latest cabling standards recommend Cat6A for new installations, including TIA-1179 for Healthcare. With the widest selection of cables, we can service your job needs.

	PRODUCT	DESCRIPTION	PART NUMBER
CAT 6A	GenSPEED® 10 MTP	Premium Category 6A U/UTP copper cable with advanced Mosaic Variable Laser Cut, plenum, 4-pair, blue	7151849
	GenSPEED® 10	Category 6A U/UTP copper cable, plenum, 4-pair, blue	7151819
	GenSPEED® 10 Shielded	Category 6A F/UTP (ScTP) shielded cable, plenum rated, 4 pair, blue	7141586
	GenSPEED® 10 OSP	Category 6A U/UTP copper cable, dry core construction for cleaner termination, 4-pair, black	9136100
	GenSPEED® 10 Indoor/Outdoor	Category 6A U/UTP copper cable, plenum, 4-pair, blue UL Listed CMP-LP 0.8A with certified performance for high-power+-	7141007
	GenSPEED® 10 Interlock Armored	Category 6A U/UTP copper cable, plenum, 4-pair, blue	9141300
CAT 6	GenSPEED® 6500	Category 6 Premium U/UTP copper cable, plenum, 4-pair, Blue	7131930
	GenSPEED® 6000	Category 6 Enhanced U/UTP copper cable, plenum, 4-pair, Blue	7131900
	GenSPEED® 6	Category 6 U/UTP copper cable, plenum, 4-pair, Blue	7131100
	GenSPEED® 6 Shielded	Category 6 F/UTP (ScTP) shielded cable, plenum rated, 4 pair, Blue	6131785
	GenSPEED® 6 MAX	Category 6 U/UTP copper cable, plenum, 4-pair, blue. For extended distance and high powered PoE applications	8131800
	GenSPEED® 6 OSP	Category 6 outside plant U/UTP copper cable with gel-filled construction to prevent moisture migration in underground or wet applications, 4-pair, black	7136100
CAT 5E	GenSPEED® 5000	Category 5E U/UTP copper cable, plenum, 4-pair, Blue	5131278E
	GenSPEED® 5000 Shielded	Category 5E F/UTP (ScTP) shielded cable, plenum rated, 4 pair, blue	2131611E
	GenSPEED® 5000 OSP	Category 5E outside plant U/UTP copper cable with gel-filled construction to prevent moisture migration in underground or wet applications, 4-pair, black	5136100
	GenSPEED® 5000 Backbone	Category 5E Backbone 25 Pair Cable, plenum rated, 4 pair, white	2131550E
