**PANDUIT AND PRYSMIAN ANNOUNCE BRANDING UPDATE FOR THEIR  
PANGEN STRUCTURED CABLING SOLUTIONS BUSINESS****PANGEN WILL CONTINUE TO PROVIDE BEST-IN-CLASS  
NETWORK INFRASTRUCTURE SOLUTIONS**

Tinley Park, IL and Highland Heights, KY, January 25, 2022 – For over 18 years [PanGen Structured Cabling Solutions](#) has stood as a best-in-class partnership from Panduit and General Cable, providing robust and optimized infrastructure cabling solutions for countless projects across North America. Now, as part of General Cable's integration to Prysmian Group, Panduit and Prysmian are proud to present a refreshed PanGen brand that retains its legacy as a premium solution with a full portfolio of Category 6A, 6 and 5e copper and fiber systems with **Panduit's** network connectivity and Prysmian's **GenSPEED**<sup>®</sup> cable products.

"Since 2004, PanGen has provided high-performance infrastructure solutions, guaranteed network performance and system reliability and we now look to the future," **said Mark Moulton, VP of Sales Americas, Network Infrastructure at Panduit.** "By combining the technological expertise and innovation of Panduit's connectivity and Prysmian's GenSPEED<sup>®</sup> cables, PanGen Structured Cabling Solutions provides the widest range of world-class copper and fiber products for any network infrastructure need."

"PanGen represents our strengthened commitment to our customers and partner ecosystem," **said Rob Tully, VP of Telecom Sales at Prysmian Group North America.** "Our customers will experience the same premium quality Panduit connectivity and GenSPEED<sup>®</sup> cables they have come to know and trust. Combined with our 25-year solution warranty and our unmatched team of technical and service experts, PanGen represents the quality, durability and reliability that is expected from our Panduit and Prysmian Group partnership."

**PanGen** will be debuting its refreshed brand at the 2022 BICSI Winter Conference & Exhibition in Orlando, Florida held January 30 – February 3, 2022 (booth #505). PanGen is committed to delivering products that exceed the performance, quality, value and safety requirements of our customers, whether it's through our focus on customer service, continuous improvement and manufacturing excellence, or the development of new and innovative products.
